Dear Stuart,

As always, we are encouraged to hear feedback from the readers of this eNewsletter. Please share a comment regarding this service.

Good luck with your job search process and if you have specific questions, then please contact us.

5 O'Clock Career Network - Mondays @ 5 pm Downtown Roanoke

Roanoke Connect is teaming up with a number of local organizations to host a free workshop for seekers needing assistance in their job search strategies and techniques. This is the 10th event we have held. The 1st and 3rd Mondays are representatives from [Career Connections](#), the 2nd Monday is [Express Personnel](#) and the 4th Monday is [The Referral Institute](#) to discuss networking in your job search. If you would like to attend, then come to 111 Franklin Plaza, Suite 305 in downtown Roanoke.

Virginia Tech - ALL AVAILABLE

These are the [current positions](#) the university is advertising. Look for pay band 4,5 or 6.

Dominion Metallurgical - Purchasing/Production Inventory Control

Due to continued steady growth [Dominion Metallurgical](#), a unique organization whose business is the supply of metal and plastic components to industrial clients, has an exciting opportunity for an independent self-starter who desires to be a key member of our management team. The position requires working closely with both customers and suppliers in a fast paced office environment. Qualified candidates will possess 5+ years experience in purchasing planning and/or production control from a manufacturing environment. Must be detailed oriented and have a strong working knowledge in MS Office plus a basic understanding of manufacturing software. Strong verbal and written communication skills necessary. College degree preferred. For more info, email gharper@dom-met.com.

Design Nine - Broadband Planner and Project Manager

Design Nine is a fast growing broadband architecture and engineering design firm with a national reputation and clients across the United States.

Broadband Planner -- Design Nine has an immediate need for a full time broadband planner. Qualified applicants will have background and experience working with groups, managing and supervising projects over an extended period of time, and a high level of comfort using and talking about technology. Work activities include meeting with community groups, making presentations, doing needs assessments and community asset evaluation, developing business cases, and report writing. Applicants must be able to demonstrate excellent speaking and writing skills. Previous experience in community planning, marketing, and/or a related technology field is desirable. Work will include some travel to client locations. Motivated applicants will have an opportunity to be part of an internationally recognized, fast growing firm, and will be eager to learn and extend technical and management skills. Salary commensurate with background and experience. College degree and five to seven years of work experience is required. Send a resume, description of career goals, and salary requirements by July 13th to Design Nine, Inc., 2000 Kraft Drive, Suite 2180, Blacksburg, VA 24060. Position will be filled as soon as a qualified candidate is identified.

Broadband Project Manager -- Design Nine has an immediate need for a full time broadband project manager. Qualified applicants will have background and experience managing technology and telecom projects over an extended period of time. Work activities include translating recommendations into deliverables and milestones, tracking projects with project management software tools, preparing budgets, writing and managing vendor RFPs, and vendor and contractor performance management. Applicants must be able to demonstrate excellent project management skills and experience. Previous experience in telecommunications or technology planning, business management, and/or a related technology field is desirable. Work will include some travel to client locations. Motivated applicants will have an opportunity to be part of a fast growing firm and will be eager to extend technical and management skills. Salary commensurate with background and experience. College degree and five to seven years of work experience is required. Send a resume, description of career goals, and salary requirements by July 13th to Design Nine, Inc., 2000 Kraft Drive, Suite 2180, Blacksburg, VA 24060. Position will be filled as soon as a qualified candidate is identified.
